About the iMentor Program

The International Student and Scholar Services (ISSS) intercultural mentoring program, iMentor (i=international), offers a unique opportunity to develop leadership, team building and intercultural communication skills. By being an iMentor, you will have opportunities to connect with international students on the U campus and engage in fun activities. You'll also develop mentoring skills and broaden your network on campus and across the world.

iMentor Mission

The mission of the iMentor program is to provide meaningful mentorship with current international University of Utah students dedicated to helping build a global community.
