Students please note: This form must be submitted to International Student & Scholar Services before the end of the first *fifteen days* of your last semester at the University of Utah. You are allowed to register for less than full time during the last semester. Failure to notify International Student & Scholar Services that you are taking less than the required hours may result in your SEVIS status being terminated. To maintain your Active status in SEVIS, *your I-20 program end date will be shortened* to the end date of your graduating semester when you submit this form. This will be done to accommodate permission to have less than full time hours. Please keep the new shortened end date in mind as you prepare to graduate. You are allowed part-time CPT on the last semester (20 hours or less per week) and must end your employment on the last day of the semester.

(To be filled out by student's academic advisor)

This form is will not be valid unless the advisor fills out the section below completely.

All students must submit this form during their last semester. Your last semester credit must require physical attendance. CPT does not count towards your physical attendance to a class.
