

Approved Curricular Practical Training (CPT) Courses

The following are current courses that have been approved by International Student & Scholar Services for CPT credit. Students who wish to participate in a curricular practical training opportunity **MUST** be enrolled in the appropriate CPT approved course. Departments wishing to have a course added to the CPT list may contact ISSS at international@utah.edu.

Students must be enrolled in the CPT course by the add/drop deadline for the semester they wish to apply for CPT. Failure to register in CPT course by the add/drop deadline will result in denial of CPT or rescinding of former CPT approval.
